L.B. Cole created some of the most bizarre, proto-psychedelic, eye-popping comic book covers of all time, yet remarkably this is the first retrospective of his career, featuring the largest collection of Cole covers ever assembled, in an oversize format that showcases his attention to detail and his versatility in all the popular comic book genres of the day. Cole burst into comics during the glory years of the Golden Age of comics. He was famous for his bold covers, usually featuring " poster colors " brilliant primaries often over black backgrounds and an over-the-top sense of the bizarre mixed with whimsy. There ' s never been a comic book cover designer like L.B. Cole and there ' s never been a book like this one.

Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.

Eclipse of the Light is my second book of poetry. Volume one is nothing but dark poems, and volume two is a mix of poems—some are about love, some are dark, and some are both love and dark. And there are a few comedy poems.

THE BEGINNING OF END When a sickly boy succumbs t illness only to awaken as a lowly undead named End, his initial reaction is not horror but joy. No longer weak and bedridden, he is eager to experience the freedom of a properly functioning body. Sadly, his delight is cut short when he realizes the shackles of his previous life have simply been replaced by new ones—specifically, the powerful necromancer who revived him. To gain true freedom, he ' ll need to overcome the many obstacles in his way...starting with his dark master!

ILLUMINATE THE SHADOWS The year is 2029, and the shining promise of a new age of human augmentation is in ruins in the wake of the devastating ' Aug Incident ' – a horrific catastrophe triggered by a cabal of shadowy power brokers, where millions of cybernetically-enhanced people suffered a forced psychotic break. Awakening in the aftermath of a changed world, with gaps in his memories and suspicion on all sides, augmented ex-cop and former security operative Adam Jensen struggles to piece his life back together, in a new reality where ' Augs ' have become the targets of hatred, fear and violent discrimination. Now the dark forces behind the Incident are gathering once again, reaching out to manipulate the course of global events through terror and intimidation. To find the answers that he seeks and the people who destroyed everything he knew, Jensen must return to the ashes of the past, reconnect with old allies, and risk all to expose a deadly conspiracy – but in a world shattered by secrets, can the truth be brought into the light? A brand-new official Deus Ex novel, bridging events between Deus Ex: Human Revolution and the brand-new game Deus Ex: Mankind Divided.

LONGLISTED FOR THE NATIONAL BOOK AWARD " The stories in Black Light are grimy and weird, surprising, utterly lush. . . . I loved every moment of this book. " —Carmen Maria Machado, author of Her Body and Other Parties With raw, poetic ferocity, Kimberly King Parsons exposes desire ' s darkest hollows—those hidden places where most of us are afraid to look. In this debut collection of enormously perceptive and brutally unsentimental short stories, Parsons illuminates the ache of first love, the banality of self-loathing, the scourge of addiction, the myth of marriage, and the magic and inevitable disillusionment of childhood. Taking us from hot Texas highways to cold family kitchens, from the freedom of pay-by-the-hour motels to the claustrophobia of private school dorms, these stories erupt off the page with a primal howl—sharp-voiced, acerbic, and wise.

A free e-Magazine written and published by Young Naturalists' based in Chennai.

Marik, a traveler disenchanted with his life, stumbles upon a young woman, rescuing her from a terrible storm. But someone is hunting her, and before long, Marik is caught up in her struggle to survive. As dark secrets and magical talents reveal themselves, the pair must fight to stay ahead of their pursuers, with little certainty of who to trust, as they flee from nation to nation throughout the continent of Newland. The question is, can they run forever?

[Dedicated to the One and only God from whom all blessings flow]. This updated book tells it all – from the creation of Adam, to Black Abraham, Moses, Jacob, the invasion of the homelands of the Black Hebrew Israelites/Jews by the Assyrians, Neo-Babylonians, Persians, Greeks, Romans, Muslims and others; the brutalization of the Black Jews and their near-decimation, as well as the story of the Khazars, who are today considered to be the real Jews. Mention is also made of the historical Black Jesus. This book is illustrated with ancient images of Biblical characters.

This Prophetic Manual Vol. I book has but one purpose; to inform and educate all who read and study it. It is best effective with the purchase of the workbook. My prayer is that churches would take and study this information as needed knowledge for the body of Christ. May it be used for bible studies as a form of informative training, increasing the knowledge of both pulpit and audience? After reading this manual you will not just know the mysteries of the creation, but you will know why you know the mysteries of creation.
