Jarvis Langton is an unborn-again Christian living on the fringe. He's not big on life and has tried to finish his own twice. Still, most mornings, he quite likes to sun himself at Sydney's Royal Botanic Gardens. One morning he notices something winking at him from a nearby bush. When he investigates he finds the dead body of his friend, Lady; a Thai transvestite. Jarvis is not someone with his thoughts lined up in any reasonable order. It takes him a while to work out Lady must have been murdered. It takes him longer to decide he's going to find her killer - but once he does, the premonition that finding Lady's murderer will bring him his own end, happens in an instant.
