and mass
collaboration using
social technologies,
could help to solve
one of the greatest
problems facing the
world: mitigating the
extant education
divide by delivering
quality education to
underprivileged
sections of society.
The book also
presents empirical

Download File PDF Community

validation of the proposed framework to show how a community-driven blended learning platform can mobilize the dormant knowledge capital of domain experts to teach underprivileged rural Indian children, as well as help form communities of practice to enable

Download File PDF Community

lifelong learning for the rural adult population. The book closes by pointing out the challenges involved in building an equitable education ecosystem using social technologies and ultimately the possibility of creating a fair and equitable society. Given its scope, the book offers

Download File PDF Community

a valuable resource
for researchers,
policymakers and
practitioners in the
domain of education
who want to transform
education ecosystems
by using technological
and process-related
innovations to
improve educational
practices for
underprivileged
sections of society.

Download File PDF Community Empowerment

Many people want to help bring about changes in their neighborhoods, workplaces, and communities. Leaders and scholars of change efforts are likewise eager for insights into what makes some organizations and coalitions capable of

Download File PDF Community

building and
exercising power.

Why are some groups
successful in making
changes in policies
and systems and in
sustaining their

momentum over time,
while others struggle
or never really get off
the ground? With

Community Power
and Empowerment,
Brian D. Christens

Download File PDF Community

Empowerment
And
Participation
Bridging The
Gap

brings the most comprehensive analysis of empowerment theory yet conducted to bear on these questions, taking aim at many of the longstanding weaknesses and ambiguities of empowerment theory, research, and practice. For example, one major hindrance

Download File PDF Community

is that most notions of empowerment have not been coherently connected with community power. In addition, research has emphasized psychological aspects of empowerment over organizational processes, and has neglected community empowerment processes to an even

Download File PDF Community

greater extent. By linking empowerment and community power, Christens constructs a holistic framework for assessing and comparing community-driven change efforts. This book offers new guidance for inquiries into outcomes and impacts of empowerment

Download File PDF Community

Empowerment
And
Participation
Bridging The

Processes on health and well-being, providing a resource for researchers, organizational leaders, practitioners, and anyone interested in collective action for change.

In the United States, some populations suffer from far greater disparities in health

Download File PDF Community

Empowerment
And
Participation
Bridging The
Gap

than others. Those disparities are caused not only by fundamental differences in health status across segments of the population, but also because of inequities in factors that impact health status, so-called determinants of health. Only part of an individual's health

Download File PDF Community

status depends on his or her behavior and choice; community-wide problems like poverty, unemployment, poor education, inadequate housing, poor public transportation, interpersonal violence, and decaying neighborhoods also contribute to health

Download File PDF Community

Empowerment
And
Participation
Bridging The
Gap

inequities, as well as the historic and ongoing interplay of structures, policies, and norms that shape lives. When these factors are not optimal in a community, it does not mean they are intractable: such inequities can be mitigated by social policies that can shape health in

Annotation This
collection of essays
focuses on religion
and violence in the so-
called Àbrahamic'
religions: Judaism,
Christianity and Islam.
An additional chapter
on Buddhism

Download File PDF Community

highlights the comprehensive vision of this religious tradition in the field of peace building. The book discusses the transformative role of religion in situations of violent conflict. It considers both the constructive and destructive sides of religious belief and particularly explores

Download File PDF Community

ways in which
religion(s) may
contribute to
transforming conflict
into peace.

Gap

"In the old South
Africa we killed
people. Now we're
just letting them die."
--Pieter Dirk Uys,
South African satirist

Download File PDF Community

Today in South Africa, HIV/AIDS kills about 5 in 10 young people. Many of the victims are miners and commercial sex workers who ply their trade in mining communities. In this critique of government-sponsored and privately funded HIV/AIDS prevention programs in South

Download File PDF Community

Africa, Catherine
Campbell exposes
why it has been so
difficult to stop the
HIV/AIDS epidemic.
Campbell's research
focuses on local
vectors of the disease
such as what people
believe about the
spread and
prevention of AIDS,
what measures they
take to prevent

Download File PDF Community

disease, and whether they are likely to seek treatment at local AIDS clinics. "Letting Them Die" is not just an investigation into sexuality, social relations, health, and medicine; it is also a sharp review of the kinds of programs that are becoming the standard method of HIV/AIDS intervention

Download File PDF Community

throughout Africa.

And
Participation
Bridging The
Gap

Despite the promise and optimism surrounding the post-apartheid transition, South African society continues to be highly racialised in its discourses, identities and practices, even within the very strategies that aim to change power

Download File PDF Community

relations and heal racialised divisions. Renowned for its brutal past practices, the wine industry in South Africa has long been associated with white power and black exploitation, and remains dogged by continuing allegations of poor working conditions and labour abuses. Through in-

Download File PDF Community

depth, longitudinal fieldwork, this book considers how different ethics interact and draws attention to the positive changes and continuing development challenges faced in South Africa. Situating practice at its heart, it brings a novel, everyday and micro-

Download File PDF Community

scale dimension to understandings of empowerment in the post-apartheid South African wine industry. It develops a critical analysis of the interplay between practice, as scaled and inherently spatial, and discourse to conceptualise how 'big' concepts such as empowerment are

Download File PDF Community

articulated, materialised and experienced at the ground level. Through this, it gives voices to the marginalised who experience 'empowerment', setting these within the context of their relations with the other stakeholders who shape this engagement. This

Download File PDF Community

book contributes to broader critical social science debates around ethical development and questions of power and empowerment in development interventions. This is critical to reducing the disconnection between policy aims and realities within development and

Download File PDF Community

empowerment
initiatives, as well as
enabling (ethical)
commodities to be
strategic in retaining
their appeal
throughout their
networks.
