Good economic  
decision making is

# File Type PDF Economics 10th

fundamental to the success of business. Economic decisions lie at the heart of business. Economics is all about the choices between alternatives and how to weigh up their costs and benefits. Studying this book will help you understand such choices and how to

# File Type PDF Economics 10th Edition

make them successfully when you take up a job or perhaps run your own business.

Businesses need to make choices of what and how much to produce, what techniques to use, who to employ, what investment to make, where to locate, what markets to develop

# File Type PDF Economics 10th Edition

and how best to compete with rivals. Economics helps them make the right decisions. But making the right decisions depends on the economic environment in which businesses operate. For example, government policy affects business: whether through

# File Type PDF Economics 10th

taxation, subsidies, training and education, regulation or trade policies. The economic environment is also affected by trade relations and the actions of international bodies such as the World Trade Organization (WTO) and the International
