United States won, and why the consequences of victory were sometimes sweet, sometimes ironic. In a compelling narrative, Kennedy analyzes the determinants of American strategy, the painful choices faced by commanders and statesmen, and the agonies inflicted on the millions of ordinary Americans who were compelled to swallow their fears and face battle as best they could.

1929-1945 By David M. Kennedy

Between 1929 and 1945, two great travails were visited upon the American people: the Great Depression and World War II. Freedom from Fear tells the story of how Americans endured, and eventually prevailed, in the face of those unprecedented calamities.

~~Freedom From Fear: The American People in Depression and ...~~

Into our third decade of the 21st century, Americans are coming to understand and appreciate Freedom from Fear from a different perspective than when the phrase was introduced by Franklin Roosevelt in his State of the Union address in 1941 . At the time, Europe was engaged in a war that would soon escalate and involve the entire civilized world. In giving
