For a traditional dictionary, include the dictionary name in italics, edition number if it is not the first edition, the abbreviation "s.v." (which means "sub verbo") and entry name in the citation. Firstly, include the citation number in superscript at the end of the sentence, after the period, where you reference the entry.

How to Cite a Dictionary Word in Chicago Style | Pen and ...

When you add text word-for-word from another source into your project, or take information from another source and place it in your own words and writing style (known as paraphrasing), you create an in-text citation. These citations are short in length and are placed in the main part of your project, directly after the borrowed information.
