Learning To Dance In the Rain — Jeff & Sheri Easter | Last.fm

Whoever doesn't learn to dance in the rain will struggle to survive the virtually non-stop storms that the world will experience in the next few years. The abrupt downturn in the global economy, triggered but not caused by coronavirus, came as a lightning bolt out of the blue. Thus, most people are paralysed and will fall helplessly as the world unwinds 100 years of mismanagement and excesses ...

DON'T WAIT FOR THE STORM TO PASS - LEARN TO DANCE IN THE ...

The quote concludes by saying that life is about learning to dance in the rain. It's about learning to live with, and even enjoy the inevitable storms of life. Sing or dance, enjoy your life, no matter what the weather might be. We all will face storms in our lives.

Life isn't about waiting for the storm to pass... It's ...

Most importantly, however, it's widely recognised as an enjoyable activity - and it's because of its inherent enjoyment factor that dance is a valuable learning medium for young children. Psychologist Marcel Zentner discovered that the better children were able to synchronise their movements with music the more they smiled.

How Dance Boosts Development in the Early Years | Learning ...

Learning how to dance involves learning how to move. Now that you have your arms moving, try adding a few steps with your feet: Pick up one foot and then the other, sort of like marching in place. Bend your knees in time to the music, taking small steps forward and backward with both feet. Let your feet carry you around the floor in small circles.

Learning to dance can be very stressful, let alone stepping onto the dance floor for the first time surrounded by strangers. Not knowing what you're doing could be disheartening. In fact, studies show that most people stop dancing because they feel stuck, are afraid others' opinions, or feel like they are not progressing quickly enough.
