Management, with its rich Canadian content, accessible writing style, and currency, is the ideal introductory management product. It provides professors the opportunity to offer their students an engaging experience that will help them succeed. Students will learn to think critically and make sound business decisions using managerial theory as concepts are explored and reinforced by many real-world examples, exercises, and cases.

Exploring Management 4e presents managerial concepts and theory in a straight-forward, interesting style with a strong emphasis on application. The discussion of theory is framed in a unique, student-centered, engaging, and concise way. Students will be able to think critically and make sound business decisions using managerial theory because concepts are explored and reinforced by many hands-on applications, exercises, cases, and the integration of technology. Through this approach, students successfully will be able to apply theory to practice. The author uses a conversational and interactive writing style that enables students to work at their own pace and master concepts in a more bite-size and fundamental approach.

This text is an unbound, binder-ready edition. Exploring Management, Binder Ready Version 4th Edition supports teaching and learning of core management concepts by presenting material in a straight-forward, conversational style with a strong emphasis on application. With a focus on currency, high-interest examples and pedagogy that encourages critical thinking and personal reflection, this text is the perfect balance between what students need and what instructors want. Access to WileyPLUS sold separately.

Exploring Management supports teaching and learning of core management concepts by presenting material in a straight-forward, conversational style with a strong emphasis on application. With a focus on currency, high-interest examples and pedagogy that encourages critical thinking and personal reflection, this text is the perfect balance between what students need and what instructors want.

Schermerhorn, Management 14e continues to offer the same balanced theory approach as with previous editions. Students need an active and engaged learning classroom environment that brings personal meaning to course content and the instructor's course objectives. Schermerhorn communicates with students through rich, timely features and cases that bring management topics, theories, and concepts to life. The underlying goal is to translate foundation theories into lasting tools for students as they move beyond the classroom where their skills will be put to the test.

Eldenburg's Management is an introductory text that focuses on presenting content in an easy to understand way that encourages students to think critically and draw connections between theory and practice. This new seventh edition has a strengthened focus on technology and features have been updated to help students further consolidate their knowledge. This includes various forms of revision materials such as auto-graded knowledge-check questions and self-skill assessment. There is also a broad variety of concise case studies, including new ones with a strategic focus, which enable instructors to have thought-provoking and engaging tutorials. An exciting addition to the interactive e-text are the new ANZ videos that feature a diverse group of management thought-leaders who give insights and 'tales from the front.' This will provide supplementary content for lectures or serve as pre-work for a flipped classroom.

We've got you covered for your Principles of Management course with Schermerhorn/Bachrach, Management 13th Edition. With new cases, more opportunities for self-assessment and the Management Weekly Updates news blog, the text and its comprehensive suite of resources promote critical thinking and active learning. Thoroughly updated while maintaining its trusted balance of concepts and applications, Management 13th Edition presents the most current material to apply theory and show relevance of management concepts in the real world—for students to succeed in your management course and beyond.
