Orphans Of Versailles The Germans

Orphans Of Versailles examines the complex psychological and political situation of Germans consigned to Poland, their treatment by the Polish government and society, their diverse strategies for survival, their place in international relations, and the impact of National Socialism.

Orphans Of Versailles: The Germans in Western Poland, 1918 ...

Orphans Of Versailles. Book Description: The lands Germany ceded to Poland after World War I included more than one million ethnic Germans for whom the change meant a sharp reversal of roles. The Polish government now confronted a German minority in a region where power relationships had been the other way around for more than a century.

Orphans Of Versailles: The Germans in Western Poland, 1918-1939. The lands Germany ceded to Poland after WWI included more than one million ethnic Germans for whom the changes meant a sharp reversal of roles; the ensuing conflict between the Polish government and the German minority became one cause of WWII.

Orphans Of Versailles: The Germans in Western Poland, 1918 ...

Orphans Of Versailles examines the complex psychological and political situation of Germans consigned to Poland, their treatment by the Polish government and society, their diverse strategies for survival, their place in international relations, and the impact of National Socialism. Not a one-sided study of victimization, this book treats the contributions of both the Polish state and the German minority to the conflict that culminated in their mutual destruction.

Orphans Of Versailles: The Germans in Western Poland, 1918 ...

It is common knowledge that Germans were very dissatisfied with the terms of the treaty of Versailles after World War I, and that Germany's attack on Poland began the World War II in Europe. But not many know of the Versailles treaty's impact on Germany's eastern frontiers, and what the long-term historical background was for Hitler's invasion and the vicious occupation policies in Poland.
