Examines the use and meaning of Christian symbols found in Renaissance art

This thoroughly updated and comprehensive new edition enhances the well-loved and often-used earlier work as a guide to symbolism in Christian liturgical art, architecture, manuscripts, stained glass, and more. The new book is more heavily pictorial in an effort to provide an even stronger resource for artists and researchers, as well as the general browsing public. It addresses the rich history of Christian symbolism, presented for the twenty-first century reader. This unique resource offers page after page of line drawings depicting sacred monograms, saints, crosses, altars, flowers, fruits and trees, plus symbols of the Jewish and Christian Scriptures, the Church Year, the Apostles, the Holy Trinity; and much more. Completely updated and with ecumenical appeal, this useful new reference book expands on its earlier and well-earned reputation for providing clear and reliable information on Christian symbolism.

Imagine the dangerous life of an early Christian. You've embraced your newfound faith in Christ but fear the risk of persecution or death at the hands of the pagans living around you. Then a trusted friend tells you about some of Jesus' followers who secretly meet. He whispers into your ear, "Look for a fish carved in a paving stone" by a certain home on the Via Tiburtina. You smile in gratitude. Still today, modern society recognizes those Christian symbols that kept the early Christians safely connected: they appear on churches, bumper stickers, mugs -- even mints and stuffed animals. Yet we are often ignorant of the rich meanings of these symbols: their origins in Scripture, in ancient culture, and in the preaching of the Church Fathers. In this book, noted author Mike Aquilina conducts an intriguing and insightful tour of the symbols that expressed the life and devotion of the Church through the first four centuries of its existence. He explains how Christians freely borrowed pagan and Jewish symbols, giving them new, distinctly Christian meanings. Recover the zeal of our spiritual ancestors as you learn to read their symbolic language -- and discover the impact the symbols still have on your life today. More than a hundred illustrations, reproduced by artist Lea Marie Ravotti from the ancient originals, beautifully complement the text. View a multimedia presentation and listen to an interview of the author here.

Imagine the dangerous life of a First Century Christian. You've embraced your newfound faith in Christ but fear the risk of persecution or death at the hands of the pagans living around you. Then a trusted friend tells you about some of Jesus' followers who secretly meet. He whispers into your ear, Look for a fish carved into the entranceway to the burialchambers beside the Via Tiburtina. You smile in gratitude. Comparatively, modern society is awash in those same Christian symbols that kept early Christians safely connected: they appear on churches, bumper stickers, mugs even mints and stuffed animals. Yet, we are often ignorant of the origins of these symbols having lost the urgency of our spiritual ancestors' hostile environment. Noted author Mike Aquilina conducts an intriguing tour of symbols that guided the first four centuries of the Church's existence. He explains how Christians borrowed pagan and Jewish symbols, giving them new, distinctly Christian meanings. Recover the voice and urgency of our spiritual ancestors' symbolic language and discover the impact the symbols still have. Black and white illustrations by Lea Ravotti of artifacts uncovered throughout the Middle East beautifully complement the text, showing the variety of contexts in which they were found and the range of skills displayed in their execution.

Symbols of the Christian Faith is an illustrated guide to the major visual symbols used by the Christian church throughout history. These stylized illustrations, designed by artist Alva William Steffler, are intended to provide usable, up-to-date resources for contemporary church worship and Christian education. Throughout church history symbols have been used to aid worship and to communicate difficult spiritual ideas. Steffler here collects these symbols, from early Christian catacomb art to the present, offering fresh graphic interpretations of old visual forms. The accompanying text notes the biblical sources for the various symbols and traces their use in church tradition and their links to Greco-Roman culture. Extensive glossaries and indexes round out the book. Broadly inclusive and sensitive to the perspectives of every church tradition, this volume will be an invaluable resource for churches using Christian art as well as for general readers curious about the meaning of common Christian symbols.

The arts.

Saints, Signs, and Symbols, which was first published in 1962, contains in compact form all the main symbols used in the Church, complete with notes on their origin, meaning, and colouring. Of particular interest is the section on the Saints, which includes brief biographical details of each. "This is an indispensable handbook for teaching at all age levels."--Kirkus Review

How might our understanding of God's Word be deepened if we recognized the significance of the signs and symbols found within its pages--signs that would have been obvious to the original readers? From the tree of life to Noah's ark, from circumcision to animal sacrifice. From the feasts, the Passover lamb, and the manna in the wilderness to the furniture in the tabernacle and the visions of prophets. From the Lord's Supper to baptism and from the cross to the empty tomb. Throughout the Scriptures, signs and symbols weave a consistent message of God's presence, grace, and faithfulness. This illustrated resource will help readers understand key biblical images that reveal God's purposes and truth. Each entry includes multiple illustrations, explanations, and key Bible passages. Sidebars, quotes, and photos make this guide approachable and engaging.
